TESLA Memorial HF CW Contest

Contest rules 2017

March 11-12, 2017

Savez radio-amatera Srbije (Amateur Radio Union of Serbia) - SRS is pleased to invite you to participate in the 4th "TESLA Memorial HF CW Contest".

1. Objective: For amateurs World wide to contact as many amateurs as possible during the contest period.

2. Contest Period:

Starts: 18:00 UTC Saturday March 11

Ends: 05:59 UTC Sunday March 12

3. Bands: Only the 3.5 MHz bands may be used.

4. Mode: Only CW.

5. Entry Categories:

5.1. Multi Operator Single Transmitter (MULTI-ONE) High power

5.2. Single Operator High power

5.3. Single Operator Low power

5.4. Single Operator QRP

Clubs competition: The club must be a local group and not a national organization. One entry can contribute to only one club.

6. General:

All operation will be within the limits of the station national license.

Only one transmitted signal is permitted at any time.

Use of any IP network for remote receiving, including WEB controlled receivers, is not permitted.

High power - Total output power must not exceed **1500 watts**.

Low power - Total output power must not exceed **100 watts**.

QRP - Total output power must not exceed **5 watts**.

7. Exchange: RST report plus a progressive contact serial number (starting with 001 for the first contact) plus a first four characters of WW QTH locator (grid square). Example: 599 002 JP32.

The contest exchange (CALL, RST report, QSO number and WW QTH locator) shall be sent and confirmed only during the QSO.

8. Contact Points:

The number of QSO points for each contact depends on the distance between the two stations. This is computed by taking the distance

between the centers of the two WW QTH locators (grid squares). Points will be scored on the basis of one point per kilometer.

Contact between stations from the same WW QTH locator is worth 90 points.

Final score is sum of all QSO points.

If your software does not compute the QSO points, our automated WEB service log checking software will do this.

QSO points are not recognized for:

- incorrectly logged calls (Bad Call)
- incorrectly logged exchange numbers
- incorrectly logged QTH locators
- QSO is not present in the other station log (NIL)
- dupe QSO
- Unique Calls, unless the organizer has a log of participant which would have been declared as UNIQUE CALL.
- time difference between entrant's log and other station's log must not exceed 5 min.

Penalties for errors shall not apply.

9. Awarding

Plaques will be award for the highest score in each of categories. The current list of plaques, special plaques and sponsors is at <http://www.radiosport.org.rs/HFTeslaMemorial>

Only one plaque will be awarded per entry. A station winning a World plaque will not be

considered for a sub-area award.

Certificates: Electronic PDF certificates will be awarded to all. Printed certificates will be sent to the participants on demand.

10. Instructions for Logs:

10.1. The log must contain the following for each contact: date, correct time in UTC, frequency (or band), call, exchange sent (RST, Nr, QTH Loc.), and exchange received. A log without all required information will be reclassified to checklog.

10.2. Logs are accepted in Cabrillo electronic format only.

10.3. Filename of your log should be yourcall.LOG or .CBR or .TXT. Example: YU1SRS.log

10.4. **WEB upload or e-mail is the expected method of log submission.**

Please upload your Cabrillo log through a special form on our WEB page:
