

A composite image featuring a portrait of Nikola Tesla on the left and a mechanical device, possibly a Tesla coil or transformer, on the right. The background is a warm, orange-toned sky. The text '2019' is in the top right, and 'TESLA Memorial HF CW Contest' is in large red letters across the middle. Below that is 'CERTIFICATE' and 'this is to certify that LY3NX'. Further down is 'achieved #2 Lithuania SOSB LP 80m'. At the bottom left is the logo of the Amateur Radio Union of Serbia (SRS) and the names of the contest committee members. At the bottom right is a tall, lattice-structured tower with a spherical top, likely a radio tower. The text 'AMATEUR RADIO UNION of SERBIA' is at the very bottom.
