

A composite image featuring a portrait of Nikola Tesla on the left and a mechanical device, possibly a motor or generator, on the right. The background is a warm, orange-toned sky. The text '2019' is in the top right, and 'TESLA Memorial HF CW Contest' is in large red letters across the middle. Below that is 'CERTIFICATE' in a curved font, followed by 'this is to certify that' and 'ON6FC' in large black letters. Further down, it says 'achieved #1 Belgium SOSB LP 40m'. At the bottom left is the logo of the Amateur Radio Union of Serbia (SRS) and the names of the contest committee members. At the bottom right is a tall, lattice-structured tower with a spherical top, likely a radio tower. The text 'AMATEUR RADIO UNION of SERBIA' is at the very bottom.
