

„VIDOVDAN 2024“

Contest rules

On occasion of celebrating the day of the Municipality of Kruševac – Vidovdan

I ORGANIZER:

Radio club "Bagdala" YU1ADO organizes HF Contest on 80m band - "Vidovdan 2024"

II PARTICIPANTS:

All licensed Amateur radi-stations from Serbia and abroad.

III MAINTENANCE TIME:

The contest is held on June 21, 2024 (Friday) on frequencies from 3.5 MHz to 3.8 MHz divided in two periods:

1.CW 17:30 do 18:14 UTC (3.510 do 3.580 MHz.)

2. SSB 18:15 do 18:59 UTC (3.675 do 3.775 MHz.)

IV DATA EXCHANGE:

The following are QSO exchanges: RS (T), serial number starting from 001 (continuing in the second period) and Serbian auto-registration mark. (*list attached*)

Example: 599 001 BG.

Competitors outside Serbia give, in addition to RS (T) and the serial number, the mark "NY".

Example: 599 001 NY.

The organizer station YU1ADO from Kruševac will give a report without the serial number and exchange mark "VD" on CW and the word "Vidovdan" on SSB (in log enter "VD").

V CATEGORIES:

1. Multi operators (CW + SSB)

2. Single operator (CW + SSB)

3. Single operator only CW

4. Single operator only SSB

- Club stations must participate in the "Multi operators (CW + SSB)" category.

VI MULTIPLIERS:

The multipliers are the Serbian auto-registration marks (*list attached*) and the NY mark given by the NON YU stations.

- The "VD" mark is valid as three (3) multipliers.

- The self-mark does not count as a multiplier.

VII SCORING AND POINT CALCULATION:

Every correct QSO is valid as:

CW - 3 points

SSB - 2 points.

- The number of points in one period is calculated by multiplying the sum of QSO points with the sum of multipliers in that period.

- The total contest points is calculated by adding points from both periods.

- If 2 or more stations have the same number of points, priority will be given to the station with less number of bad QSO's, then with a larger number of multipliers and then with a greater number of correct QSO's.

VIII GENERAL:

- The same station is allowed to work only once in each period.

- Any incorrect QSO (incomplete, added, with incorrectly received or incorrectly entered data) will not be counted in the final sum.

- A difference of QSO time that is greater than 3 minutes between two competitors will not be count as correct QSO.

- The call sign of worked station must be registered in at least 5 logs per period to be recognized as valid QSO.

- The working time in the log must be UTC

- The output power of the Amateur radio-station must be in accordance with the operator's license and applicable regulations in the competitors country.

- Any violation of these rules as well as unsportsmanlike conduct (any conduct outside the provisions of HAM SPIRIT) will be sanctioned by a decision in the manner determined by the contest committee.

IX AWARDS:

- For winning the first place in each category, a cup or a statue is awarded.

- All participants in the contest receive an electronic certificate in PDF format with an indication of the place won.

- Stations that send a check log receive a certificate for participation.

X CONTEST COMMITTEE:

The contest committee is in charge of conducting the contest according to these rules, to receive and cross-check the contest logs, resolve any complaints and to publish the results.

The contest committee are:

- YT5LD, YU1SS and YT2KSK

- Contest Manager - YT1WA

XI LOGS AND SUMMARY SHEET:

The log must be in cabrillo format and sent via an automated system for sending the logs (robot) at web address http://radiosport.yu1srs.org.rs/HF/index.php?option=com_content&view=article&id=107&Itemid=187&lang=en not later then 3 days from the end of the contest (for 2024 not later then 24.06.2024 at midnight local time).

Only in case of problems with the server where the "robot" is located or the inability to send the log via the robot for any reason, send the log via email to dejan2917@gmail.com In both cases, the competitor will be notified of the receipt of the log.

The correct log header will be considered as a summary sheet.

The competitor who submits the log accepts these rules in full, the decision of the contest committee as well as the interpretation for which the contest committee is responsible. The competitor also accepts that his LOG will be made public.

XII RESULTS:

The claimed results will be published immediately after the deadline for sending the logs and unofficial results after 20 days from the end of the contest.

After the publishing of the unofficial results, it is possible to submit a complaint to the contest committee via e-mail address dejan2917@gmail.com within 3 days, and after resolving any complaints, the final results will be published with the possibility to download electronic certificate. The results of the contest will be published on the website of the radio club "Bagdala" www.yu1ado.org.rs as well as on the website www.radiosport.yu1srs.org.rs/HF
